Poison the fountain, and the stream is
impure; poison the blood, and its fruit is
carried through the entire system—those
innumerable veins and arteries carry dis-
ease and death instead of life and vitality.
As a result, you have Headache, Scrofula,
Dyspepsia, Kidney Disease, Liver Com-
plaint and General Debility. An inactive
Liver means poisoned blood; Constipation
means poisoned blood; Kidney disor-
der means poisoned blood. The great anti-
dote for impure blood is Dr. Pierce's
Golden Medical Discovery. Act-
ing directly upon the affected organs, it
restores them to their normal condition.
"A word to the wise is sufficient." The
"Discovery" is guaranteed to cure in all
cases of disease for which it is recom-
mended, or money paid for it will be promp-
tly refunded.

various parts of the body, sinking of the
pit of the stomach, loss of appetite, fever-
ishness, pimples or sores, are all positive
evidence of poisoned blood. No matter
how it became poisoned it must be puri-
fied to avoid death. Acker's English
Balm has been used for years to remove
scrofulous or syphilitic poisons. Sold un-
der positive guarantee. feb19d11y

Give the Children a Chance.

There is something radically wrong
with the health of a child when it seems
listless, has poor or no appetite, eyes
sunk and with dark skin beneath. In
most cases showing these symptoms the
child has worms, and all that it needs is
some simple remedy, such as Hart's Worm
Cream, to expel the worms, and the child
will soon be in perfect health again. Par-
ents, try it and let your little ones have
a fair chance for life.

Or course the minutes of a meeting are

The New Discovery.

You have heard your friends and neigh-
bors talking about it. You may yourself
be one of the many who know from per-
sonal experience just how good a thing it
is. If you have ever tried it, you are of
its staunch friends, because the wonder-
ful thing about it is, that when once given
a trial, Dr. King's New Discovery ever
after holds a place in the house. If you
have never used it and should be afflicted
with a cough, cold or any Throat, Lung
or Chest trouble, secure a bottle at once
and give it a fair trial. It is guaranteed

Parents Criminally Liable.

More than half of all deaths occur be-
fore six years of age. An army of in-
nocent, lovely children are swept needlessly
away each year. Parents are criminally
responsible for this. The death rate of
children in England is less than half this.
Acker's English Baby Soother has done
more to bring this about than all other
causes combined. You cannot afford to
be without it.

The Burdens of Womanhood.

Thousands of women are silently suf-
fering untold misery, simply because they
shrink from consulting a physician in
those numerous complaints arising from
functional irregularities and disorders.
Many a modest girl and woman prefers
to bear her heavy burden in silence rather
than to go to the family physician for
advice. All sufferers from this class of
disorders can, however, find prompt and
sure relief in Dr. Pierce's Favorite Pre-
scription. It is a specific in such cases,
and has brightened the lives of countless
women by restoring them to perfect
health.
